Rules and Regulations

1. Students from schools, colleges and universities (up to Master's) can participate.
2. The work presented must be original and innovative. Immediate actions will be taken against any form of plagiarism.
3. An accepted poster must include:
 - a. A title
 - b. Name of the authors, department, university
 - c. Name of the supervisor, institution
 - d. A statement about the issue or problem being investigated
 - e. Methodology
 - f. Results and findings
 - g. Conclusion
4. Only one student from the authors is allowed to present the poster.
5. One student can present as many posters as he wants; however, registration has to be done against each poster.
6. Poster size should be 48" (height) by 24" (width).
7. Students must obtain permission from their mentors/supervisors and co-authors before presenting the poster. Any report referring to an unauthorized poster presentation will be addressed immediately.
8. Presenting students must register their posters within the registration deadline. Registrations should be done online.
9. The presenters must bring their Student ID card on program day for verification purpose.
10. A certificate will be issued against every poster presented.
11. Poster printing must be done by the presenter or by the presentation team.
12. No computers or extra aids may be used during a poster presentation.
13. Keep it simple. No need to use any frame around the poster. Just bring the printed copy. Poster boards will be provided by our organizers.
14. In all cases, decisions taken by the organizing committee will be final.
15. Abstract of each poster must be sent to following email ID. Subject should be the name of the poster presentation.
16. For any further queries and submission of abstract use this mailing address.
