

Signal Processing Competition

COMPETITION GUIDELINES

Organized By:

Department of Electrical and Electronic Engineering (EEE)
Islamic University of Technology

Technical Support:

IEEE IUT Student Branch

IEEE
IUT Student Branch

Rules and Regulations

- ESONANCE 2015 Signal Processing Contest will be based on Bangla Optical Character Recognition using MATLAB.
- Some images having size of 512x512 each will be given to the contestants. Every image will contain a single Bangla character of arbitrary size, scale, orientation, color and noise.
- Detailed rules and sample images will be provided to the contestants via e-mail after his/her registration and payment are completed on 7th September
- Contestants will submit a MATLAB function in a single .m file which will recognize the Bangla characters from the images.
- Contestants will submit the solution file via e-mail to:
esonance.matlab@gmail.com
- All the registered contestants are invited to the IUT campus on September 11, 2015. Final results will be published on that day.
-
- In any event, the decision of the Esonance 2015 organizing committee shall be considered final and irrevocable. The Esonance 2015 organizing committee also holds the rights to change any or all of these abovementioned rules without prior notification.
- For further query on Signal Processing Contest, mail to the address mentioned above.
